

Extra-Curricular Activities Code of Conduct Contract

At Caruso Middle School, we believe that extracurricular activities are an integral part of the total growth of a student and encourage every participant to establish as their first priority a commitment to academics. The following is a list of guidelines that Caruso Middle School students are expected to follow in order to participate in school sponsored activities. This list is not intended to be inclusive, and any acts committed by students that are illegal or that, in the opinion of the CMS staff, reflect poorly upon CMS or District 109 may be subject to consequences.

To ensure that students and families are aware of this Code of Conduct, please read and review this document with your parents/guardians and sign the appropriate lines at the bottom of the sheet. The signed and dated Extra-Curricular Activities Code of Conduct Contract must be given to the appropriate coach, sponsor, or supervisor before participating in try-outs for any activity. If you should have any questions please feel free to call Mrs. Kristen Paul, Associate Principal at (847) 945-8430.

- I will work toward standards and demonstrate habits of success. The coach, sponsor, or supervisor will monitor my academic progress and if they observe that I am not working towards meeting standards and or habits of success I will develop an improvement plan with the appropriate teacher(s). I will have the plan signed by my parent(s)/guardian, teacher, and coach. The plan will be monitored by the coach, sponsor, or supervisor and if at any time I do not perform satisfactorily regarding my part of the plan, I will be subject to the agreed upon consequences in the contract until I do meet the expectations in the improvement plan and/or my grade(s) demonstrate working towards standards and/or habits of success.
- I will be current with all required coursework.
- I will display good citizenship throughout the school day, at practices, and at events.
- I will attend all practices, rehearsals, and events unless excused by the coach or sponsor.
- As a participant in band or orchestra, I understand I MUST attend practices scheduled on the event date unless excused by the director.
- I will check the schedule carefully before trying out, and I will discuss attendance conflicts with the coach, supervisor or sponsor BEFORE the tryout date.
- I will dress appropriately on all event days, as explained by my coach, sponsor, or supervisor.
- I will respect and follow all directions from my coach, supervisor or sponsor and abide by all team/squad/cast rules and eligibility requirements.
- I understand that school attendance is mandatory on the date of events to participate in the activity. In the event of an appointment or family emergency, participation will be approved at the discretion of the coach, sponsor, supervisor, or activities coordinator and administration. If I am absent as the result of illness, I understand that I cannot participate.
- To ensure my safety, I understand that if I am unable to participate in my physical education coursework, then I am also unable to participate in extra-curricular activities that include a physical component.
- I understand that my coach, sponsor, or supervisor will articulate transportation needs for events away from school. Bussing may be provided either one way, both ways, or not at all.
- I understand that failure to meet these obligations will result in consequences ranging from student conferences and an improvement plan, removal from practices for academic support, suspension(s) from activities or removal from the team, cast, or squad.

The aforementioned guidelines are in effect for the duration of the extra-curricular activity and consequences for infractions are cumulative. I AGREE TO PARTICIPATE IN EXTRA-CURRICULAR ACTIVITIES WITH ADHERENCE TO THE CMS CODE OF CONDUCT.
